London, March 8.—The Admiralty to-night issued the following state-

"Wing Commander Longmore reports that an air attack on Ostend was carried out yesterday afternoon by six aeroplanes of the naval wing. Of these two had to return, owing to the freezing of their petrol. The remainder reached Ostend and dropped eleven bombs on the submarine repair base and four bombs on the Kursaal, the headquarters of the military.

"All the machines and pilots returned. It is probable that considerable damage was done. No submarines were seen in the basin. The attack was carried out in a fresh northnorthwest wind."

Ilfracombe, England, March 7 (delayed).—The British steamer Bengrove was seen in distress and sounding her siren, five miles off this shore, at 1:30 o'clock this afternoon. Forty minutes later the ship's how rose from the water, and she sank by the stern. Thousands of persons stood on the shore and watched her go down.

Two steamers were in the vicinity, one of which, the Paignton, of Liverpool, rescued the crew of thirty-three. Local lifeboats brought the crew ashore amid the cheers of the populace. The captain of the Bengrove made this statement:
